her course for the Adantic. He didu't feel justified in destroying the vessel, but on the comrary thought the ship should revert to the American Government.

He therefore sought Liverpool to learn the news, and if without foundation to surrender the ship with its guns, stores and apparel complete to the British Government for such disposition as it should deem proper. The Shenandoah was surrendered to the American Consul on the joth, who took (possession and placed) News from the State of Texas.

New York, Nov. 21.

The reception to Gen. Grant at the Fifth Avenue Hotel last night was most brilliant. There were over 2,000 guests present, including aome of the most prominent ment men of the United States. Notwithstanding the rain, an immense throng gathered in the vicinity of the botel. After the conclusion of the reception deremonies Gen. Grant and party sat down to a special supper, prepared for only a few distinguished personals.

In reply to the toast drank to his health, Gen. Grant said: "I am greatly indebted to the citizons, ladies and gentlemen, of New York city for the great kindness have recoived during the few days that I have been with them. You know that it was the property of the content of the content of the present content of the content of the

have received during the few days that I have been with them. You know that It is not my habit to make speeches, and I hope you will excuse me from saying more, but I do thank them from the bottom of my heart." This afternoon Gen. Grant takes his departure for Washington on the four o'clock train. NEW YORK, Nov. 21.
